Noreen,

I edited the draft public notice and bulletin that are on the U&O FIP restricted share I drive. Check the SharePoint notice of proposed rulemaking to make sure the docket ID, RIN, and SAN numbers are correct.

Thanks,

Claudia

Subject: Yesterday: U&O FIP public notice, bulletin and federal register

Hi Dee

Once again, because Claudia already has the Bulletin and Public Notice drafted, depending on Federal Register lead time we might not be in rough shape.

Claudia already had the attached Bulletin and Public Notice on the I drive: Restricted Share U&O FIP files. Just need "hearing" location and date info.

Couldn't locate a Ft Berthold FIP file on the G or I drive. Abby is sending me her latest Federal

Register file for a proposed rule. Monica SIP team uses Stephanie Morris at HQ for Federal Register notices. Does APMM have a different EPA HQ Federal Register contact?

I'm out tomorrow. But in on Friday.

Leave notes I can work on the Federal Register draft on Friday.

Have a great weekend.

Cheers

Noreen
